

PARTICIPANTS NEEDED

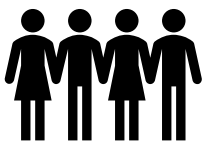

for a study
investigating the
potential
benefits of
equine-assisted
interactions

Researchers from The Ohio State University Equine Program are recruiting adult volunteers to participate in a study involving repeated interactions with horses.

Who do we need?

Participants who:

- *Are between the ages of 18-55*
- *Are not pregnant*
- *Have reliable transportation*
- *Can walk unassisted on uneven terrain*
- *Are interested in interacting with horses*

Dates and times are flexible.

Participation will involve 4 visits (1-1.5 hr/visit) to the Ohio State University Equine Center located in Dublin, Ohio.
